Kindergarten Testing

Wednesday, August 12th, Thursday, August 13th,
and the Week of August 17th, 2015

Call 410-313-6900 for an appointment.

Testing takes about 20 minutes and has to be completed countywide by the end of September. Bringing your child in the summer helps us to complete the testing earlier. We also look at the testing results to begin forming groups and classes. It is not a pass/fail kind of test. We just want to know some of what your child knows in the areas of English/Language Arts and Math.
