☞ **STEVENS FOREST IS A TITLE I SCHOOLWIDE PROGRAM SCHOOL.** Title I programs at each school will vary, depending on the needs of the school. Every child may benefit from the added services and programs that a schoolwide Title I program can offer. A schoolwide program helps a school do more for all of its students.

☞ **OUR SCHOOL STAFF IS COMMITTED TO:**

- Two way communication with parents and students regarding academic progress, attendance and behavior through interim reports and report cards (4 each per year), parent/teacher conferences (11/20, 11/21, 11/22), Friday folders (weekly), SFES newsletters, agenda book/homework folders (daily), notes/phone calls/emails as needed. Interpreter services and translated documents are available as needed.
- Offering parenting workshops and in-services on topics promoting the academic achievement of students as well as information about MAP and PARCC assessments. A calendar of events is coming soon. Please post it at home for future reference.
- Establishing firm and fair behavior expectations that will reward positive learning behaviors (schoolwide PBIS program).
- Providing high quality curricular experiences using the MD College and Career-Ready Standards.. The “Partners In Learning” agreement that details how you can help your child succeed in school is coming soon.

☞ **EXTENDED DAY OPPORTUNITIES:** Some of our children will qualify for educational opportunities that extend beyond the regular school day such as before and after school academic programs.
